

TEN X SHOOTING CLUB, INC.  
853 RANSOM ROAD  
LANCASTER, NEW YORK 14086

## The next general meeting is October 5, 2009 at 8:00 PM

- **AN INDOOR RANGE FALL CLEAN-UP IS SCHEDULED FOR SATURDAY OCTOBER 3, 2009 STARTING AT 9:30 AM.** We need as many volunteers as possible to make the work quick, easy and light. In the past, members have brought a couple of shop-vacuums, bags of rags, and a couple of clean buckets so we can mop down the range floors. We should be done by 11:30 or earlier. Prospective members: this can qualify as one of your three club functions.
- **WE NOW HAVE A WEB PAGE.** Thanks to the efforts of Chris Bennett and Russell Benfanti we have a presence on the internet where members and nonmembers can go for information concerning club events, announcements, newsletters, even a place to download maps, applications, and photos. The address is:

<http://www.tenxshootingclub.com>

Anyone interested in writing articles or submitting photos or ideas for what they think would be interesting to the members and the public should e-mail Chris or Russell at [russell@benfanti.com](mailto:russell@benfanti.com) and/or [chrisben@kryogenic.net](mailto:chrisben@kryogenic.net). It is up and running now, so check it out!

- A heartfelt thank you to all the volunteers and helpers behind the scenes who made the Outdoor Pistol Championship a success. We hosted 17 competitors over September 19 and 20, running four separate matches. We also showed off the range to a couple of prospective members. We also received some excellent feedback from our helpers which we intend to incorporate into future events. These changes should make club work assignments better and more enjoyable for all.
- The NFPL shooting season starts this month. A copy of our schedule is enclosed on page 2. Our first match is Tuesday October 6 at the Mohawk Range against Polaris. The following week will be a postal match at our home range on October 15. Most shooters carpool to away matches, and I'm sure some arrangements will be made at the meeting. Even if you have NO EXPERIENCE, you can help the club in the league and you can learn important skills by participating. Try it, you might like it!
- **WE ALSO NEED A MATCH DIRECTOR.** This person coordinates our NRA registered matches. Our current match director has been doing the job for 10 years and wants a vacation. Will you be the one to step forward for the benefit of the club?

Good shooting,

*Peter Vasilion, President*
