The next general meeting is November 2, 2009 at 8:00 PM

- A number of our members are organizing a regular practice night for smallbore sporter-rifle shooting at the club. They are meeting on Tuesday of each week around 7:30pm. They have a formal match program as well as an informal shoot. And, it is open to junior shooters. For those interested, stop by the range or contact [Chris Bennett](#) or see our webpage for more details. Members are reminded that only .22LR ammo is permitted for sporter-rifle and the same safety rules apply for rifle as for pistol shooting.
- Our team in the Niagara Frontier Pistol League has had two matches as of this newsletter, one of which was a postal match so those results are not available. We can use new shooters of all skill levels! Our next matches are as follows:

October 29	Thursday	Home	vs. Pinecrest
November 5	Thursday	Home	vs. Niagara County
November 12	Thursday	Home	vs. Lockport
November 17	Tuesday	Away	at Twin City
November 30	Monday	Away	at Allied
December 10	Thursday	Home	vs. Bison City

If a formal match is not scheduled for a given Thursday, there will automatically be an open practice. Of course, even if there is a formal match scheduled, the range is always open for general practice following its conclusion.

- Our tenants, the Iroquois Varsity Rifle Team will begin using our range for classroom activities beginning November 16. Their shooting season will not start until after the Thanksgiving holiday. A detailed practice and match schedule will be posted on the webpage as soon as possible. Members are reminded that the school has first priority of the range during their season and due to the possible problems, pistol shooting on the downstairs range is not permitted while the rifle team uses the upstairs range.
- Our secretary Mike Gasiewicz volunteered to help out with the Match Director's office, but we could still use a couple of people willing to learn about its operations and help out from time to time.
- Remember, there is an election on November 3. If the vote is not close, the anti-gunners can't steal the election. Please turn out and make your voice heard.

Good shooting,

Peter Vasilion
