The next general meeting is April 5, 2010 at 8:00 PM

- The NRA Indoor Sectional ran with hardly a hitch and all of our volunteers are to be commended. One of the best run tournaments in the 5 or more years. Preliminary results are posted on our web-page.
- The Niagara Frontier Pistol League Banquet is May 2, 2010, at Kotecki's Gardenvue Grove on Seneca Street in West Seneca. Tickets are \$25.00 each and can be purchased from our co-captain, Dave Platter. Dave can be reached at **685-0883** or you can mail your payment to him at: 35 Countryside Ln., Depew, NY 14043. Dinner is served family style and there will be a cash bar starting at 6:00 PM. We have a table of 10 and only a couple pairs of tickets remaining. Please come to the meeting if you want a chance for one of these last pairs. The banquet is a fun time and there are more door prizes than guests, so you are sure to leave with something!
- We are hosting the New York State Indoor Championship on April 4 and 5. Although Clarence Shooting Club is providing the majority of workers for the match, we will still have some volunteers. This is an excellent opportunity for our new members to become acquainted with match shooting and fulfill the work requirement for membership. We will have a list of positions and times at the meeting.
- We have started a committee to work on the Indoor Range parking lot paving project. We will be looking at bids for bulldozer work, stone, millings and asphalt. Anyone who can call in favors to help the club keep costs down is welcome to make those calls and coordinate with the committee. Members interested in helping out should plan on coming to the general meeting so we can get you into the loop! This project is our most needed improvement given the weather issues in the winter and spring and it should make the club a more enjoyable place to come to.
- Tuesdays and Thursdays are now open practice nights. We hope to move our organized practices to the outdoor range by the first full week of May. More information on our summer schedule will be discussed at the meeting.
- We will continue to run shooting clinics on weekends on an appointment basis. People interested should call or e-mail the Team Captains.
- A new combination to the Outdoor Range will be posted and mailed soon.

Good shooting,

Peter Vasilion
