THE NEXT GENERAL MEETING WILL BE OCTOBER 4, 2010, AT 8:00 PM

- The New York State Outdoor Pistol Championship was a roaring success. We hosted the largest turn out of shooters in years, 18 competitors for the NRA Match and 10 competitors for the CMP matches. A special thank you to all of our volunteers, among them: Russ and Tracie Benfanti, Martin Gorman, Mike Gasiewicz, Walt Conley, Jeff Wetzel, Ralph Guile, Carl Carothers, Tom Mager, David and Loretta Schabel and Scott Hartmann. If I have missed anyone, I apologize in advance. Rest assured, every volunteer is appreciated.
- The Niagara Frontier Pistol League is an informal bullseye shooting league. We need new as well as experienced people to join in the fun. All you need is a .22 caliber pistol and standard velocity ammo. In a pinch, you can always borrow a gun. Optional equipment is a shooting box and a spotting scope. Come down on a Thursday night and see what it is all about!
- Speaking of which, this year's NFPL schedule is attached.
- Smallbore sporter-rifle has begun with Tuesday night practices at the indoor range. There is a postal league through the NYSRPA. Persons interested should contact Chris Bennett for more information by e-mail to chris@chrisben.com.
- An outdoor range work party will be scheduled for October. There are a number of items that we need helpers for, including Posing the club property. Please keep an eye on the webpage for more information.
- We still have a small supply of embroidered Ten X Shooting Club baseball hats in various color combinations for sale. Also, we still have Anniversary Mugs, logo stickers, and we can order customized engraved gunbox nameplates in Ten X colors. Please see any of the membership committee at a meeting or practice if you are interested.

Good Shooting,

Peter Vasilion,

President
