## THE NEXT GENERAL MEETING WILL BE TUESDAY DECEMBER 7, 2010, AT 8:00 PM

- Due to a league conflict with Bison City, the December meeting will be moved one day to Tuesday December 7, 2010. This is not intended as a permanent change to our meeting schedules.
- The Election of Officers for 2011 will take place at the December meeting. A first round of nominations took place at the November meeting. The floor may be re-opened for additional nominations should any other people be interested in any of the offices (hint...hint...).
- We are one-third of the way through the NFPL season. Match results are being posted to the website. Follow the posted link on the League. The next set of matches are as follows:

Monday December 6, 2010	Bison City	Away
Thursday December 16, 2010	BR&R	Home
Thursday January 6, 2011	Clarence	Home
Tuesday January 11, 2011	Polaris	Away
Thursday January 20, 2011	Niagara Falls	Home - Postal
Friday January 28, 2011	Mohawk	Away

- Many, many, thanks to all of those who helped with the recent outdoor range project. A complete list of all who participated in on both Saturdays would fill the page. Stay tuned to the website for further updates and announcements concerning a future work party to finish assembling the 25-yard target spindles.
- Chief Range Officer Bruce Matthies reminds all members that you should never shoot from in front of the permanent firing benches at the indoor and outdoor range. Neither should shooters be firing at non-approved targets, including pumpkins or old televisions or stereo equipment.
- On behalf of the entire Club, we wish that each of you have a successful hunting season and that you enjoy a happy and safe Christmas and New Years.

Good Shooting,

*Peter Vasilion,*
