- We are looking to host a “how-to” class on reloading in the month of February. This will be a one-session class, and will deal with loading pistol and basic rifle cartridges. More information will be available at the meeting.
- A “well done!” is in order for member Greg Thrun and his wife who appeared as guests on “The Financial Guys” with Glenn Wiggle and Mike Lomas on WBEN 930. Greg and his wife spoke, along with Carl Paladino, about education reform. Check out <http://americansforprosperity.org/newyork> for more details.
- The next set of club matches in the Niagara Frontier Pistol League are as follows:

February 3	Thursday	Home postal	vs. Pinecrest
February 10	Thursday	Home	vs. NCSA
February 17	Thursday	Home	vs. Lockport
February 22	Tuesday	Away	at Twin City
February 28	Monday	Away	at Allied
March 10	Thursday	Home	vs. Bison City

- Dues for 2011 are now past due! If you’ve not renewed, please send your check into our Treasurer, Mike Gasiewicz: 129 Vern Lane, Cheektowaga, NY 14227. Regular membership remains \$80.00; Juniors and Associates are \$40.00; and key cards are \$10.00. If you have any questions about your status, please call Mike at 896-8597.
- Shooters are reminded, again, that **jacketed bullets of any type are not allowed in the indoor range**. This includes hollow-points. This includes “plated” bullets. The only exception is copper-washed lead bullets. How do you know its copper-washed? The plating will be thin enough that you can still indent the bullet with your thumbnail or the edge of a casing.

Good shooting,

Peter Vasilion
