Dear Competitor,

Thank you for participating in the 2012 New York State Outdoor Conventional Pistol Championship. I am currently in the process of ordering award plaques that will be sent out in the next couple of weeks to the individual and team winners. Team awards will be sent to the respective team captains. If anyone has any questions feel free to contact me and I will do my best to answer them. **I would further appreciate those of you who will be receiving plaques to contact me via email (those who are email capable) and acknowledge that you received them.**

We were fortunate to have four sections of the Championship match this year with Syracuse Pistol club getting back into the match. I would like to thank all of the match directors for their efforts and prompt reporting of the match results. The overall number of competitors for this match is a bit low compared to some past years. I must point out that the costs associated with completing the match (mailing, awards, etc). are going up with each match cycle! We must do our best to encourage attendance in our match and do our best at scheduling so as not to conflict with other events. Of course there are only so many weekends in a month and trying to avoid other activities can be difficult. Let us do all we can via emails, phone calls, conversations, etc. to encourage our shooting friends to join us at the matches.

I would like to congratulate all of the winners in this match and look forward to seeing you all on the firing line soon.

Good Shootin!

Steve
