

TEN X SHOOTING CLUB, INC.
853 RANSOM ROAD
LANCASTER, NEW YORK 14086
<http://www.tenxshootingclub.com>

The next general membership meeting is April 1, 2019 at 7:30 PM

- Effective April 1, the new gate combination for the outdoor range will be:

[OMITTED FROM THE ELECTRONIC NEWSLETTER]

- The recent storms caused much havoc at the outdoor range with four trees uprooted and power lines pulled down. Even the access road was blocked. Fortunately, with the help of several members, we have been able to get the range cleaned up and reopened. Special thanks go out to Paul Englert, Bill Frears, Ed Richter, Mitch Vogel, Mark Haentiges and Roy Smith. All of them helped to get the trees cut up and the power lines replaced. Without dedicated members like them, it would be a struggle. If you see one of them, please let them know how much it is appreciated.
- Both of our indoor pistol leagues had their final matches last month. Our SPL team's final record was 22 wins, 10 losses. The NFPL team's record was 29 wins and 15 losses. We want to thank every member who participated and every member who helped out with the leagues over this winter.
- The combined Pistol League Awards Banquet will be held on Saturday April 27, 2019, at Kotecki's Gardenview Grove located on Seneca Street, West Seneca. Tickets are \$25.00 per person and available from Al Hopkins or Jim Gerstung. We encourage everyone to attend and support our team!
- The Western New York Outdoor Pistol League will start on May 28, 2019. League fees are \$5.00 to join and \$3 per match. People interested in shooting a summer outdoor, relaxed pistol league should strongly consider participating. Interested shooters should contact Jim Gerstung, our team captain at jgerstung@outlook.com. The league allows shoot-aheads and you can fire multiple matches in one day.
- We hosted the NRA Indoor Pistol Championship Sectional on March 1, 2 and 3. We had tremendous volunteer turnout. In fact, there are so many members who deserve a mention, there is not enough space in this newsletter. Thank you to everyone who helped run targets, run the match, clean the range, and otherwise help out.

Good shooting,

Peter Vasilion
