

TEN X SHOOTING CLUB, INC.
853 RANSOM ROAD
LANCASTER, NEW YORK 14086
<http://www.tenxshootingclub.com>

The next May 2020 General Membership Meeting is Cancelled.

- Due to the COVID-19 Emergency, the indoor range remains closed to formal activities. The Board will re-assess this after May 15, when the Governor's Executive Orders expire. The range remains open for casual shooting. As a reminder, members are to follow these rules:
 - If you are sick DO NOT visit the Club
 - If you feel warm or experience an itchy or sore throat DO NOT visit the Club.
 - If you suspect you may have come into contact with someone who is sick, DO NOT visit the Club
 - Please wash your hands. Use soap and water, not just alcohol based sanitizer.
 - Please do not touch your face with your hands after touching any surface or objects. COVID-19 can remain viable on surfaces for hours or perhaps days.
 - Cover your mouth and nose when you sneeze.
 - Maintain at least 6 feet of distance between yourself and anyone else at the range. Practice good social distancing.
 - Do follow the CDC and NYS-DOH recommendations to preserve your health.
- The outdoor range is open for shooting. Steel Plate Challenge will run on Tuesdays from approximately 5:30 pm to dusk. Shooters are reminded to practice "social distancing" even at the outdoor range. Check the Club website or contact Al Hopkins for more information. Alhop28 at yahoo.com
- We hope that you are practicing your dry-fire drills at home and getting ready for the summer outdoor season. We hope to be back to normal soon. A time when we learn who we can trust, who we cannot trust, and who is reliable. Be ready by training and drilling. Continue to hold the line.

Good shooting,

Peter Vasilion
