

TEN X SHOOTING CLUB, INC.
 853 RANSOM ROAD
 LANCASTER, NEW YORK 14086
<http://www.tenxshootingclub.com>

**The next general membership meeting is
 May 3, 2021 at 7:30 PM.**

IMPORTANT NOTICE

- **At the May membership meeting, the First Reading of a proposed amendment to the Club Constitution will be made. This proposed amendment is to add a new class of membership for Junior Team members. The proposed amendment and a proxy are included with this newsletter.**

Pursuant to the Club Constitution, the proposed amendment must be read aloud and voted on at two successive meetings before it can be adopted. A member may only vote once which is why the proxy is not anonymous.

- As of May 1, 2021, the outdoor range gate combination will change! The new combination is also the combination for the bathrooms. The outdoor range combination code may not be shared with former members, guests, or any other non-member. [censored]

- The Western New York Outdoor Pistol League (WNYOPL) will have a season this year after the 2020 COVID hiatus. The Canadian teams are not participating this year due to border issues and the season will only run fourteen (14) weeks. We are sponsoring a team and need many new shooters. Please contact Jim Gerstung for more information.
